## Introduction

Self-service "Admin" functionality allows users to manage supplier related information. The following functionality is available to all supplier users with **Admin** tab:

- View General Information
- Update PO Delivery Method
- Update Organization Information
- Update Contact Directory

#### Prerequisites

• Supplier user should have access to the portal

## Navigation

CPS iSupplier Portal View Only (Supplier Access)  $\rightarrow$  Home Page  $\rightarrow$  Admin (Tab)

### General

This is the default page that will be displayed in the Admin tab is the "General" page. This page displays the below information:

- Organization Name or Supplier Name
- Supplier Number
- Tax Payer ID
- Other information as available

### **Contact Directory**

This is the default page that will be displayed in the Admin tab is the "General" page. This page displays the below information:

Contact Directory functionality allows the users to perform the below actions:

- Create a new contact (optionally request Portal access for the new contact)
- Update an existing contact
- Inactivate a contact

The below screen will be displayed when clicked on contact directory.

#### Create a New Contact

As a supplier user, you can create new contacts using the self-service functionality. Follow the below steps to add a new contact:

Step	Action
1.	Click on the <b>Contact Directory</b> hyperlink. Contact Directory
2.	Click the Create Button.
3.	You'll be redirected to the 'Create Contact' page
4.	Enter all applicable information into the applicable fields.
	Note: Check ' <b>Create User Account</b> ' if you wish to create a login username for an individual in your organization
	An auto generated message will be sent to your email as well as the newly requested user's account with a randomly generated password.

The following fields should be entered for new contacts:

- First Name, Last Name, Job Title
- Email Address, Phone

<u>Note</u>: the Job Title field is used to reflect the contact job title: i.e., Director, Vice President, Principal, Manager, Supervisor, etc.
